Our Story – Chapter Twenty Three

In 2019 we created a concept of Chapter Twenty in our Donegal Hotel. We wanted a space that was more than just a bar or restaurant. We wanted an inviting, joyful and entertaining space. A place where friends and family came together to be together. Little did we know at the time just how important that would become to us all.

In 2022 we are now creating Chapter Twenty-Three in Kiltimagh. The concept hasn't changed, it has only confirmed to us how important it is to celebrate and mark each occasion. We cannot wait to welcome you, your family and friends to our next chapter in the hotel. We hope that you enjoy making memories here with us.
