Here's how your speeches might unfold:

- Guests are warmly welcomed & invited to stand as the newlyweds make their grand entrance.
- A moment of grace or words of reflection are shared before the meal begins.
- After dinner, you'll be invited to cut your wedding cake - an iconic moment to mark the start of your celebration.
- Speeches then commence with a few heartfelt words & a toast to the happy couple.
- A response follows, including a toast to those who've played a special role in the day.
- Any cards, messages, or well wishes can be shared aloud for everyone to enjoy.
- Guests are then invited to retire to the bar as the evening entertainment sets the stage for a night of dancing & joy.

We're here to make sure everything flows naturally, so all you have to do is enjoy the love & laughter all around you.
